Katrina of the best can't stop us this year
Stand up we undefeated again.

[Chorus:]

This is the way we live
New Orleans Saints number 1 on the field
Katrina of the best can't stop us this year
Beating these teams its no big deal big deal big
This is the way we live
New Orleans Saints number 1 on the field
Katrina of the best can't stop us this year
Beating these teams its no big deal big deal big
This is the way we live

I said who is they sayin they goin to beat them Saints
You can't do that thang, you can't beat these Saints.
Bull dozer players with the ball you can't stop it.
Who that boy? What's that boy's name? Jeremy
Shockey.

We got Robert Meachem, yeah it's hard to reach him.
When he catch a pass, he's got us hollerin' in the
bleachers.

Offensive line just push them to the back,
Drew Brees got arm man throw it to the max.
Lance Moore going long, touchdown that's a fact.
The best team in the league what you know about that.
Ay, we the saints and we go all the way.
Ay, we the saints and win hard today.

Charles Grant a monster when he bust through the line

[Chorus:]

This is the way we live
New Orleans Saints number 1 on the field
(We Calling on you Drew Bees)
Katrina of the best can't stop us this year
Beating these teams its no big deal big deal big
(Catch 'em Colston)
This is the way we live

New Orleans Saints number 1 on the field (Mike Bell)
Katrina of the best can't stop us this year
Beating these teams its no big deal big deal big
(Vilma)
This is the way we live

Ah huh we the saints we go all the way.
Kicking be hind in the dome, yeah we bringing the pain
Number 1 in the League that's all I got to say,
Better watch out for Bush don't under estimate.
Hey we the saints, so we went hard today
Undefeated in the league yeah we here to stay.

Now the Saints still coming to the Super Bowl

This is the way we live
New Orleans Saints number 1 on the field
Katrina of the best can't stop us this year
Beating these teams its no big deal big deal big
