Let's get it
Come on stand up everybody
Stand up get on your feet
We comin' stand up come on

[Chorus:]

This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real
Beatin these teams its no big deal big deal big
This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real
Beatin these teams its no big deal big deal big
This is the way we live

Runnin' the "L" ridin' Michael Lewis' ass
Crowd going wild u can hear it in the stands
offensive line line up sure we got a plan
2 give the ball 2 Deuce, cause u know u the man
And running thru the hole and get the 1st down
Takin' more than 2 defenders 2 bring him down
Rookie of the year Marcus close enough 2 dash
Must got glue in his hands cause he don't drop a pass
T. Henderson goin' deep he real fast
Mike Carney up the hole u better watch his ass
Hard work, new coach man it pays off
Now New Orleans Saints is in the playoffs

[Chorus:]

This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real
Beatin' these teams is no big deal big deal big
This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real

Beatin' these teams is no big deal big deal big
This is the way we live

I said who is they sayin they goin to beat them saints
U cant do that then u cant beat them saints
We got players like Reggie Bush and Duece mac
offensive line just push them to the back
defensive line just blitz them get a sack
Drew Brees got arm man throw it to the mac
Joe Horn goin long Touchdown thats a fact
The best team in the league whatch u no bout that
A we the saints and we go all the way
A we the saints and win hard today
Charles Grant a monster how he bust through the line
Teams better beware when they see the saints eye

[Chorus:]

This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real
Beatin these teams its no big deal big deal big
This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real
Beatin these teams its no big deal big deal big
This is the way we live

I l's its the saints we go all the way
katrina couldnt stop us and we here to stay
at home in the dome and we ready to play
undefeated in the league that is all i gotta say
now who let the dogs out must be Sean P.
straight to the endzone we eleven deep
Then comes carney with a field goal
now the saints on the way to the super bowl

[Chorus:]

This is the way we live
New Orlean Saints number 1 on the field
Katrina couldnt stop us and thats real
Beatin these teams its no big deal big deal big
