Consciousness is bliss
We gather here to watch
The gears spin and twist
We don't know what we've done
The world is on fire to spark competition Resources
aquired
We're so clever but not that clever

When the west won
I was so very taken
By the world they saw
That I found myself shaken
Crossed to catch the truth
From the mouth of oppression
Smile enjoy the fun
It's how the west won

Consequences missed while we were entertained
All our eyes were passed
We smile and paint them on
We lost our ambition
Concerns have expired
There's some lucky but not that lucky

When the west won
I was so very taken
By the world they saw
That I found myself shaken
Crossed to catch the truth
From the mouth of oppression
Smile enjoy the fun
It's how the west won

When the west won
I was so very taken
By the world they saw
That I found myself shaken
Crossed to catch the truth
From the mouth of oppression
Smile enjoy the fun
It's how the west won
