I would have given you  
anything that you wanted  
I would have taken you  
anywhere you wanted to go  
I would have answered you  
any question that you asked me  
I would have told you  
anything you wanted to know

Chorus:

We used to live  
like there was gonna be no tomorrow  
As if a new day, wasn't gonna begin  
But the light in your eyes  
has gone and said good bye  
And I don't wanna be, your second violin

The little things you do  
I still keep them in my memory  
and little things you said  
I still keep them in my mind  
The times we had were good  
and we never had a problem  
Times that we're leaving  
so very very far behind

Chorus:

We used to live  
like there was gonna be no tomorrow  
As if a new day, wasn't gonna begin  
But the time is moving on  
and the magic is all gone  
And I don't wanna be  
your second violin

(music solo...)

Chorus:

We used to live  
like there was gonna be no tomorrow  
As if a new day, wasn't gonna begin

oh but that time is moving on  
and when the magic is all gone..  
and i dont want to be your second violin  
oh no, i dont want to be your second violin..  
Oh.... I don't wanna be your second violin.....  
ooooohhh your second violin...
