I remeber the day you first looked my way.
You knew just what to say.
I should have walked away.
Now I can't hide it.
I'm through with ccrying.

Tired of given you one more try.
Tell myself a million times.
That I'm through with you.
It's not meant to be.
I'm only folin me.

Do you remember that day?
You promised me you would change.
Still the same old same old, nothing changed.
You can't fool me.
I'm done with fightin' I'm through with cryin'

Tired of given you one more try.
Tell myself a million times.
That I'm through with you.
It's not mean to be.
I'm only foolin my heart.
It is foolin' me?
I realize you don't deserve me.
I wanna believe that maybe you are sorry.

But I'm tired of given you one more try.
Tell myself a million times.
That I'm through with you.
It's not meant to be.
Tired of given you one more try.
Tell myself a million times.
That I'm through with you.
It's not meant to be.
Tired of given you one more try.
Tell myself a million times.
That I'm through with you.
It's not meant to be.
I'm only foolin me.
