If one day you come for cry
I think that i'll want you
If one day.. maybe one night
So they'll choose

Bring the smile we used to cry
This smile is all for you
Then we have to play the game
And to let it go again

Just dreaming of paris at night

I think that i should remain high

If one day you come for cry
I think that i'll want you
If one day.. maybe one night
So they'll choose

Bring the smile we used to cry
Christmas is all for you
Then we have to play the game
And to let it go again

Just dreaming of paris at night

I think that i should remain high

If one day you come for cry
I think that i'll want you
If one day.. maybe one night
So they'll choose

Bring the smile we used to cry
This smile is all for you
Then we have to play the game
And to let it go again

Just dreaming at paris at night

Just dreaming at paris at night

I think that i should remain high

with you
