Let's take your car and to amusement parks usa

At palisades in salisbury parks the rolly coasters are  
flyin

At euclid beach on the flying turns I'll bet you can't  
keep her smilin'

Buy your girl a cotton candy while you're down on the  
ground

Then take her on the twirl-a-way and spin her around

Let's take your car and mess around at the park all  
day

The parachutes at riverview park will shake us up all  
day

And disneyland and p.o.p. is worth a trip to l.a.

Watchin' girls in the air can really get you bad

And I'll bet the laughin' lady makes you laugh like  
mad

Let's pick up our friends and do amusement parks  
usa

[spoken, supposedly by beach boys session drummer  
hal blaine]

Hurry, hurry, hurry folks step right up to the beach boy  
circus.

The best little show in town.

Hurry, hurry, hurry, it's only a dime folks, one thin  
dime, just one tenth of a dollar.

Come on in and see stella the snake dancer (is it real? )

She walks, she talks, she wiggles on her belly like a snake.

(she looks like a fake to me) (let's go see her) (it costs too much)

Hurry, hurry, hurry folks, come on and see stella.

She shimmies, she shakes....

You'll crash and burn in the bumper cars at jersey's steel pier

You'll crack 'em up when you stand in front of all the crazy mirrors

At first you'll be a chicken at the jackhammer ride

But you'll do it with a girl sittin' right by your side

Let's take your car and mess around at the park all day
