Let's take your car and to amusement parks
At palisades in salisbury parks the rolly coasters are
flyin' At euclid beach on the flying turns I'll bet you
can't keep her smilin' Buy your girl a cotton candy
while you're down on the ground Then take her on the
twirl-a-way and spin her around Let's take your car
and mess around at the park all day The parachutes at
riverview park will shake us up all day And disneyland
and p.o.p. is worth a trip to l.a. Watchin' girls in the air
can really get you bad And I'll bet the laughin' lady
makes you laugh like mad Let's pick up our friends
and do amusement parks usa [spoken, supposedly by
beach boys session drummer hal blaine] Hurry, hurry,
hurry folks step right up to the beach boy circus. The
best little show in town. Hurry, hurry, hurry, it's only a
dime folks, one thin dime, just one tenth of a
dollar. Come on in and see stella the snake dancer (is it
real?) She walks, she talks, she wiggles on her belly
like a snake. (she looks like a fake to me) (let's go see
her) (it costs too much) Hurry, hurry, hurry folks, come
on and see stella. She shimmies, she shakes.... You'll
crash and burn in the bumper cars at jersey's steel
pier You'll crack 'em up when you stand in front of all
the crazy mirrors At first you'll be a chicken at the
jackhammer ride But you'll do it with a girl sittin'
right by your side Let's take your car and mess around
at the park all day
