Let's take your car and do amusement parks USA

At Palisades in Salisbury Parks the roly coasters are flyin'

At Euclid Beach on the flying turns, I'll bet you can't keep her smilin'

Buy your girl a cotton candy while you're down on the ground

Then take her on the twirl-a-way and spin her around

Let's take your car and mess around at the park all day

The parachutes at Riverview Park will shake us up all day

And Disneyland and P.O.P. is worth a trip to L.A.

And I'll bet the laughin' lady makes you laugh like mad

Hurry, hurry, hurry folks

Come on and see Stella

She shimmies, she shakes, she got the

You'll crash and burn in the bumper cars at Jersey's steel pier

You'll crack 'em up when you stand in front of all the crazy mirrors

At first you'll be a chicken at the jackhammer ride

But you'll do it with a girl sittin' right by your side

Let's take your car and mess around at the park all day
