I found my thrill
On blueberry hill
On blueberry hill
When I found you

The moon stood still
(Moon stood still)
On blueberry hill
(Blueberry hill)
It lingered until
(Lingered until)
My dream came true

Though we're apart
(We're apart)
I think of you still
(Think of you still)
For you were my thrill
(You were my thrill)
On blueberry hill

The wind in the willow played
Love's sweet melody
But all of those vows you made
Were never to be

Though we're apart
(We're apart)
I think of you still
(Think of you still)
For you were my thrill
(You were my thrill)
On blueberry hill

I found my thrill
(Found my thrill)
On blueberry hill
(Blueberry hill)
On blueberry hill
(Blueberry hill)
When I found you

The moon stood still
(Moon stood still)
On blueberry hill
(Blueberry hill)
It lingered until
(Lingered until)
