Hello

My luck was so bad
I thought I used up all the luck I had
Everytime I thought I'd get it on
Someone put me on
There's been a change

Beautiful and strange
My life's gone through a change
Somehow I know (somehow I know)
Bad luck's in the past
All good things here at last
So now we'll grow

There's been a change
Mmmmm
Bad luck (no more)
No bad luck (no more)
No bad luck (no more)
No bad luck (no more)
I got news for you
There ain't no blues
I got news for you
No bad luck (no more)
No bad luck (no more)
No bad luck (no more)
I got news for you
There ain't no blues
I got news for you
No bad luck (no more)
No bad luck (no more)
No bad luck (no more)
I got news for you
There ain't no blues
I got news for you
No bad luck (no more)
No bad luck (no more)

Listen to the boys loud and clear
Come on folks withstand you fears

Sail away the choice is yours you choose
Celebrate the news
There ain't no blues
Come on, come on, come on
