Daybreak Over the Ocean
Bring back, bring back my baby
Daybreak over the ocean,
Moonlight still on the sea
I pray the waves gentle motion
Bring my my baby back to me?
And the stars sprinkle the morning,
Venus fades from my sight
Will my love be returning
Like the Sun to brightening over my life?
Days break over the ocean,
Moonlight still on the sea
I pray the waves gentle motion
Bring my my baby back to me?
Bring it back
Oh, bring it back
Bring my back my baby.
Darling, if you could only
Hear this song in my heart,
Then you will know why you need, never feel lonely
We'll soon be together, never to depart.
And as long as there is an ocean,
Long as stars are to shine
Baby you will always have my devotion, have my
devotion
I'll love you pretty baby
Till then end of time.

I pray the waves gentle motion
Bring my my baby back to me?
Bring it back
Oh, bring it back
Bring my back my baby.
[Instrumental break]
As long as there is an ocean,
Moonlight still on the sea
I pray the waves gentle motion
Will bring my baby to me.
Darlin' if you should ever
Wonder what you should do
Baby you should know I'll love you forever.
Maybe little darlin' that will see you through.

And as the sunset set over the ocean
And the world fades from you
Baby always knew my love and devotion
Will bright up the night
Because I love you.
Bring back, bring back
Bring it back
Bring back my baby
Won't you?
Bring back, bring back
Bring it back
Bring back my baby
Won't you bring back my baby?
