Its automatic when i  
Talk with old friends  
The conversation turns to  
Girls we knew when their  
Hair was soft and long and the  
Beach was the place to go

Suntanned bodies and  
Waves of sunshine the  
California girls and a  
Beautiful coastline  
Warmed up weather  
Lets get together and  
Do it again

With a girl the lonely sea looks good  
Makes your nighttimes warm and out of sight

Been so long  
(hey now hey now hey now hey now hey now)  
(hey now hey now hey now hey now hey now)

Well Ive been thinking bout  
All the places weve surfed and danced and  
All the faces weve missed so lets get  
Back together and do it again

Ow!
