Little Richard sang it
And Dick Clark brought it to life
Danny and the Juniors hit a groove
Stuck as sharp as a knife
Well now do you remember all the guys
That gave us Rock and Roll

Chuck Berry's gotta be the greatest thing that come
along
(Hum diddy waddy, hum diddy wadda)
He made the guitar beats and wrote the all time
greatest song
(Hum diddy waddy, hum diddy wadda)
Well, now do you remember all the guys that gave us
Rock and Roll?
(Hum diddy waddy doo)

Elvis Presley is the king
He's the giant of the day
Paved the way for the Rock and Roll stars
Yeah, the critics kept a knockin'
But the stars kept a rockin'
And the choppin' didn't get very far

Goodness gracious great balls of fire

Nothin's really movin' till the saxophone's ready to blow
(Do you remember? Do you remember?)
And the beat's not jumpin' till the drummer says he's
ready to go
(Do you remember? Do you remember?)
Well, now do you remember all the guys that gave us
Rock and Roll?
(Do you remember?)

Let's hear the high voice wail
And hear the voice down low
Let's hear the background
(Hum diddy wadda, hum diddy wadda)
(Hum diddy wadda, hum diddy wadda)

They gave us Rock and Roll

(Hum diddy wadda, hum diddy wadda)
They gave us Rock and Roll
(Hum diddy wadda, hum diddy wadda)
They gave us Rock and Roll
(Hum diddy wadda, hum diddy wadda)
