I can hear so much in your sighs
And I can see so much in your eyes
There are words we both could say
But don't talk, put your head on my shoulder

Come close, close your eyes and be still
Don't talk, take my hand and let me hear your heart
beat
Being here with you feels so right
We could live forever tonight lets not think about
tomorrow
And don't talk put your head on my shoulder

Come close, close your eyes and be still
Don't talk, take my hand and listen to my heart beat
Listen, listen, listen

Don't talk, put your head on my shoulder
Don't talk, close your eyes and be still
Don't talk, put your head on my shoulder
Don't talk, close your eyes and be still
Don't talk, put your head on my shoulder
