

Beach Boys "Friends"

Visit "[Friends](#)" on MotoLyrics.com

We've been friends
Now for so many years
We've been together through
The good times and the tears

Turned each other on
To the good things
That life has to give

We drift apart for a
Little bit of a spell
One night I get a call
And I know that you're well

And days I was down
You would help me
Get out of my hole

Let's be friends
Let's be friends
Let's be friends

You told me when
My girl was untrue
I loaned you money when
The funds weren't too cool

I talked your folks out of
Making you cut off your hair

We've been friends
Now for so many years
We've been together through
The good times and the tears
