I know so many people  
Who think they can do it alone  
They isolate their heads  
And stay in their safety zones

Now what can you tell them  
What can you say that  
Won't make them defensive?

Hang on to your ego  
Hang on, but I know that  
You're gonna lose the fight

They come on like their peaceful  
But inside they're so uptight  
They trip through the day  
And waste all their thoughts at night

Now how can I say it  
And how can I come on  
When I know I'm guilty?

Hang on to your ego  
Hang on, but I know that  
You're gonna lose the fight

A dooby dooby doo

Now how can I say it  
And how can I come on  
When I know I'm guilty

Hang on to your ego  
Hang on, but I know that  
You're gonna lose the fight

A dooby dooby doo
