Here comes the night
Oh, here comes the night, oh, oh
Here come, here come, here now

Here comes the night
Oh, here comes the night, oh, oh
Here come, here come, here now
Here comes the night

Here comes the night
Oh, here comes the night, oh, oh
Here come, here come, here now

Here comes the night
Here comes the night, oh, oh
Here come, here come, here now
Here comes the night

My heart was breakin'
Till you started making me
Feel like a natural man

My mind was a mess
Until you brought happiness
And that's not hard to understand

When I'm through workin'
Just fussin' and cussin'
I'll be there just as quick as I can

Here comes the night
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright

(Hold me, love me, ooh)
Here comes the night
Oh, here comes the night, oh, oh
(Hold me, squeeze me, don't ever leave me)
Here come, here come, here now

Here comes the night
Oh, here comes the night, oh
(Hold me)
Here comes the night

I know livin'
Is takin' and givin'
Baby, I'm givin' you my best

One of these days
You know I'm gonna go crazy
In the middle of your caress

When the day goes down
Honey, I'll be around
Why don't you wear your pretty red dress?

Here comes the night
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright

(Hold me, love me, ooh)
Here comes the night
Oh, here comes the night, oh, oh
(Hold me, squeeze me, don't ever leave me)
Here come, here come, here now

Here comes the night
Oh, here comes the night, oh
(Hold me)
Here comes the night

Here comes the night

Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright

(Hold me, love me, ooh)
Here comes the night
Oh, here comes the night, oh, oh
(Hold me, squeeze me, don't ever leave me)
Here come, here come, here now
(Tell me I'm doin' alright)

Here comes the night

Oh, here comes the night, oh, oh
(Hold me, squeeze me, don't ever leave me)
Here come, here come, here now
(Tell me I'm doin' alright)

Here comes the night
Oh, here comes the night, oh, oh
(Hold me, squeeze me, don't ever leave me)
(Tell me I'm doin' alright)

Here comes the night
Oh, here comes the night, oh, oh
(Hold me, love me, ooh)

Here comes the night
Here comes the night

Here comes the night
Oh, here comes the night, oh, oh
Here come, here come, here now
Here comes the night

Here comes the night
Oh, here comes the night, oh, oh
Here come, here come, here now
Here comes the night

Oh, here comes the night, oh, oh
Here comes the night

Every mornin'
Our love is reborn
And it lives with me all day long

Things start changin'
Take as a little rearrangin'
But our love grows on and on

Stars who shine in love
Are making you mine to love
I've never felt a love so strong

Here comes the night
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright
Hold me, squeeze me, don't ever leave me
Tell me I'm doin' alright

(Hold me, love me, ooh)
Here comes the night
Oh, here comes the night, oh, oh

(Hold me, squeeze me, don't ever leave me)
Here come, here come, here now

Here comes the night
Oh, here comes the night, oh
(Hold me)
Here comes the night
