I've been in this town so long that back in the city
I've been taken for lost and gone and unknown for a
long long time
Fell in love years ago with an innocent girl
From the Spanish and Indian home, home of the
heroes and villains

Once at night Catillian squared the fight
And she was right in the rain of the bullets
That eventually brought her down
But she's still dancing in the night unafraid
Of what a dude'll do in a town full of heroes and villains

Heroes and villains just see what you've done
Heroes and villains just see what you've done

Stand or fall I know there, shall be peace in the valley
And it's all an affair of my life with the heroes and
villains

My children were raised, you know they suddenly rise
They started slow long ago, head to toe healthy
wealthy and wise

I've been in this town so long, so long to the city
I'm fit with the stuff to ride in the rough
And sunny down snuff I'm alright by the heroes and

Heroes and villains just see what you've done
Heroes and villains just see what you've done
