I've been in this town so long that back in the city  
I've been taken for lost and gone  
And unknown for a long, long time

Fell in love years ago  
With an innocent girl  
From the Spanish and Indian home  
Of the heroes and villains

Once at night Catillian squared the fight  
And she was right in the rain of the bullets  
That eventually brought her down  
But she's still dancing in the night  
Unafraid of what a dude'll do in a town  
Full of heroes and villains

Heroes and villains  
Just see what you've done

Heroes and villains  
Just see what you've done

Stand or fall  
I know there shall be peace in the valley  
And it's all an affair  
Of my life with the heroes and villains

In the cantina  
Margarita keeps the spirit high  
There I watched her  
She spun around and 'round in the warmth  
Her body fanned the flame of the dance  
Dance Margarita, don't you know that I love you?  
Dance

You're under arrest

My children were raised  
You know they suddenly rise  
They started slow long ago  
Head to toe healthy, weathy and wise

I've been in this town so long  
So long to the city  
I'm fit with the stuff  
To ride in the rough  
And sunny down snuff I'm alright  
By the heroes and

Heroes and villains  
Just see what you've done

Heroes and villains  
Just see what you've done
