I keep looking for a place to fit
Where I can speak my mind
I've been trying hard to find the people
That I won't leave behind
They say I got brains
But they ain't doing me no good
I wish they could
Each time things start to happen again
I think I got something good
goin' for myself
But what goes wrong
Sometimes I feel very sad
Sometimes I feel very sad
(can't find nothin'
I can put my heart and soul into)
Sometimes I feel very sad
(can't find nothin'
I can put my heart and soul into)
I guess I just wasn't made for these times
Every time I get the inspiration
To go change things around
No one wants to help me look for places
Where new things might be found
Where can I turn when my fair weather
friends cop out
What's it all about
Each time things start to happen again
I think I got something good
goin' for myself
But what goes wrong
Sometimes I feel very sad
Sometimes I feel very sad
(can't find nothin'
I can put my heart and soul into)
Sometimes I feel very sad
(can't find nothin'
I can put my heart and soul into)
I guess I just wasn't made for these times
I guess I just wasn't made for these times
I guess I just wasn't made for these times
I guess I just wasn't made for these times
I guess I just wasn't made for these times
I guess I just wasn't made for these times
