Do you ever get the feelin' that you gonna get away
It's a symptom of the fever all across the U.S.A.
My family doctor told me, "Son, the flu is what you
have"
But I know it's island fever and I got it real bad

Hey doc, I need a pain reliever
(Ooh, I got it bad)
I got the island fever
I got it bad, I got the island fever
(Ooh, I got it bad)
I got the island fever

My baby caught it and I'm not quite sure how
(Ooh, I got it bad)
I got the island fever
She might have got it from her travel brochure now
(Ooh, I got it bad)

Come on, baby, wouldn't it be nice
If I could take you down to paradise?
Sweet little mama gotta get away
Your daddy knows a little hideaway

Hey girl, I got some good advice
Drive your dad mad and make him
Take you down to paradise

I've been pickin' up a love vibration
(Ooh, I got it bad)
I got the island fever
Comin' from a little island nation
(Ooh, I got it bad)
I got the island fever

For my own self-preservation
(Ooh, I got it bad)
I got the island fever
Better make a quick reservation
(Ooh, I got it bad)

Come on, baby, wouldn't it be nice

If I could take you down to paradise?
Sweet little mama gotta get away
Your daddy knows a little hideaway

Hey girl, I got some good advice
Drive your dad mad and make him
Take you down to paradise

Come on, baby, wouldn't it be nice
If I could take you down to paradise?
Sweet little mama gotta get away
Your daddy knows a little hideaway
