Please, don't let me argue anymore
I won't make you worry like before
Can't remember what we fought about

Late, late last night we said, "It was over"
But I remember when we thought it out
We both had a broken heart

Woah, baby, kiss me, baby
Woah, baby, love to hold you
Woah, baby, kiss me, baby
Woah, baby, love to hold you

As I drove away I felt a tear
It hit me, I was losing someone dear
Told my folks, "I would be alright"

Tossed and I turned my head was so heavy
Then I wondered as it got light
Were you still awake like me?

Woah, baby, kiss me, baby
Woah, baby, love to hold you
Woah, baby, kiss me, baby
Woah, baby, love to hold you, tight

Woah, baby, kiss me, baby
Woah, baby, love to hold you
Woah, baby, kiss me, baby
Woah, baby, love to hold you

Woah, baby, kiss me, baby
