It's been my secret passion to try it  
In Captain Cook fashion, I can't deny it  
I want to spend my winters on the Kona Coast in Hawaii

For years I saved my pennies and planned it  
The great Pacific Ocean we'll span it  
I wanna go surfin' where I dig it the most, in Hawaii

(Go to Hawaii)  
Hawaiian islands beckon  
(Hawaii)

And I'll be back here someday, I reckon  
And pretty island girls greet you with a flower lei  
You'll throw it back into the sea  
Hopin' you be comin' back to Hawaii

Suntanned beauties are everywhere  
Lovely island ladies with long dark hair  
You're sure to find a honey waitin' for you there in  
Hawaii

Kani and Wahini and Wahowalis, too  
Get a friendly aloha from this Mecca to you  
They're the friendliest people anywhere in Hawaii

(Go to Hawaii)  
Welcome to the island Mecca  
(Hawaii)

I'll learn to talk like a local, I betcha  
And at Lahaina look out for shooting stars  
We'll watch them fall into the sea  
And it will be just you and me in Hawaii

Winter in the sun and surf would sure be nice  
In a south sea garden of paradise  
I wanna spend my summer on the Kona Coast in Hawaii

Honolulu, Waikiki  
Do you wanna come along with me?  
Waimia up to Hanalai

I love to take you to the islands today
