I'm gonna wake you up early  
'Cause I'm gonna take a ride with you  
We're goin' down to the Honda shop  
I'll tell you what we're gonna do  
Put on a ragged sweatshirt  
I'll take you anywhere you want me to

First gear, it's alright  
(Go little Honda, faster little Honda)  
Second gear, I lean right  
(Go little Honda, faster little Honda)  
Third gear, hang on tight  
(Go little Honda, faster little Honda)  
Faster  
(It's alright)

It's not a big motorcycle  
Just a groovy little motorbike  
It's more fun than a barrel of monkeys  
That two wheel bike  
We'll ride on out of the town  
To any place I know you like

First gear, it's alright  
(Go little Honda, faster little Honda)  
Second gear, I lean right  
(Go little Honda, faster little Honda)  
Third gear, hang on tight  
(Go little Honda, faster little Honda)  
Faster  
(It's alright)

It climbs the hills like a champ  
'Cause my Honda's built really light  
When I go into the turns  
Lean with me and hang on tight  
I better turn on the lights  
So we can ride my Honda tonight

First gear, it's alright  
(Go little Honda, faster little Honda)  
Second gear, I lean right

(Go little Honda, faster little Honda)  
Third gear, hang on tight  
(Go little Honda, faster little Honda)  
Faster  
(It's alright)

First gear, it's alright  
(Go little Honda, faster little Honda)  
Second gear, I lean right  
(Go little Honda, faster little Honda)  
Third gear, hang on tight  
(Go little Honda, faster little Honda)  
Faster
