You left me alone with nothin' but a heartache  
Don't leave me alone livin' with a heartache  
After all this time  
I still wish you were mine  
I miss you every day  
Come back to me and stay

Livin' with a heartache  
Livin' with a heartache

I've loved you for so long  
It's hard to believe that you've really gone  
I'll try to change to what I should be  
I'm no good alone you know-a everyone sees

That you left me alone with nothin' but a heartache  
(nothin' but a heartache)  
Don't leave me alone livin' with a heartache  
(with a heartache)

After all this time I still wish you were mine  
I miss you every day  
Come back to me and stay

Livin with a heartache  
Livin with a heartache

Please come back and stay with me  
Give our love a chance and maybe you'll see  
My love is true like a heart of gold  
I promise you a love you can hold

Still you left me alone with nothin' but a heartache  
(with nothin' but a heartache)  
But don't leave me alone livin' with a heartache  
(with a heartache)  
After all this time  
I still wish you were mine  
I miss you every day  
Come back to me and stay

I'm livin' with a heartache

Livin with a heartache

We are strangers since we've been apart  
And I can't live inside this broken heart  
So now I say what's on my mind  
It's up to you are we wasting time

You left me alone with nothin' but a heartache  
(with nothin' but a heartache)  
Now don't leave me alone livin' with a heartache  
(with a heartache)  
After all this time  
I still wish you were mine  
I miss you every day  
Come back to me and stay

Livin' with a heartache  
Livin with a heartache  
Don't leave me livin' with a heartache  
Mmm mmm mmm mmm
