Cease to resist, come on say you love me  
Give up your world, come on and be with me  
I'm your kind, I'm your kind, and I see

Come on come on, ooo I love you pretty girl  
My life is yours, and you can have my world  
I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned  
I know I could never learn not to love you  
Come in now closer  
Come in closer closer closer ahhhh

Submission is a gift given to another  
Love and understanding is for one another  
I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned  
I know I could never learn not to love you  
Come in now closer  
Come in closer come in closer ahhhh

Ahhh-ahhh-ahhh-ahhh-ahhhhhh  
Ahhh-ahhh-ahhh-ahhh-ahhhhhh
