Love so many things
That I feel
I have only felt with you
Only with you

And then there are the things
That we do
That I've only done with you
Only with you

Before love had always
Had its up and downs
Until the love I finally found

I know one thing for sure
I wanna do
I wanna spend this life with you
Only with you

Yeah, it's true
All I wanna do, oh
Is spend my life with you, oh

All I wanna do, oh
Is spend my life with you, oh
Yes, it's true, oh
I wanna spend my life with you

All I wanna do, oh
Is spend my life with you, oh
All I wanna do, oh
Is spend my life with you
