I've been cruisin' round the town
now with the guys for quite a while
We been thinkin' 'bout starting up a club
that shows some class and style
And we'll get the finest cars

We got a Deuce Coupe
a Stingray

a rent job (??) and an XKE
(We'll start a car club)
We'll be the fastest at the drags

man
we'll really cut some low ETs
(We'll start a car club)
And wipe out the other clubs

We'll set a meet
and get a sponsor
and collect some dues
And you can bet that we'll have our jackets on wherever
we cruise

We'll get the roughest and the toughest initiation we
can find
(We'll start a car club)
And if you want to try to get in we'll really
put you through the grind
(We'll start a car club)
This club's the very best

We'll set a meet
and get a sponsor
and collect some dues
And you can bet that we'll have our jackets on wherever
we cruise

We'll get the roughest and the toughest initiation we
can find
(We'll start a car club)
And if you want to try to get in we'll really

send you through the grind
(We'll start a car club)
This club's the very best

Start a club
a car club
(Start a car club)
Start a club
a car club
(Start a car club)
Start a club
a car club
(Start a car club)
Start a club
a car club
(Start a car club)
