It looks like rain  
And it's been comin' on for hours  
It looks like rain  
I hear the rumble of thunder showers

Pretty soon the rain will play its sweet refrain  
While we listen from inside  
And until it stops, we'll hear the drips and drops  
From beside the fireside

So let it rain, yeah  
(Pitter patter, pitter patter of the rain)  
And we'll be happy when it stops  
(Pitter patter, pitter patter of the rain)

'Cause when it rains  
(Pitter patter, pitter patter of the rain)  
The ways of love rise in my heart  
(Pitter patter, pitter patter of the rain)

We won't be sad when there is a storm  
And we can be glad  
'Cause we can keep warm, yeah, yeah

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain  
Goin' pitter pitter, patter patter  
Pitter pitter, patter patter, ooh

A rain swept plain  
Soon after springtime rains blow over  
Will sprout new grain  
And miles of fresh green fields of clover

Winter and its cold soon will lose its hold  
With the changes spring will bring  
Sun comes pourin' down, warmin' up the ground  
Bringin' new life with the spring

So let it rain, yeah  
(Pitter patter, pitter patter of the rain)

And we'll be happy when it stops  
(Pitter patter, pitter patter of the rain)

'Cause when it rains  
(Pitter patter, pitter patter of the rain)  
The ways of love rise in my heart  
(Pitter patter, pitter patter of the rain)

And like the risin' tides love is growin' stronger  
Let's ride out the storm just a little bit longer, yeah

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain  
Goin' pitter pitter, patter patter  
Pitter pitter, patter patter, ooh

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain

Listen to the rain  
Pitter patter, pitter patter of the rain  
Goin' pitter patter, pitter patter of the rain
