Gotta get a ticket cause I really gotta go  
There's a party goin' down at the rock'n'roll show  
Baby get ready if you really wanna go  
Now everybody's goin' to the rock'n'roll show

I saw some surfer girls in west L.A.  
And right away it got me thinkin' 'bout my high school  
days  
Well I was always kinda shy you know I never learned to  
dance  
And I remember bein' nervous I was scared to take a  
chance  
And it happened it was lookin' through my mamma's  
things...  
I found some rock and roll records and I learned to  
sing!

Rock'n'roll to the rescue  
Rock'n'roll to the rescue  
Rock to the rescue  
I said it rescued me  
And it'll rescue you

Now believe it when I tell ya that I never felt alive  
Not 'til the night I started rockin' to my mamma's 45's  
Well it was one for the money now and two for the show  
Baby you better get a'ready now and go cat go!  
Yeah the long tall Sally got me boppin' 'round the room  
She sing be bop wadda loo bop a-whop bam boom

Rock'n'roll to the rescue  
Rock'n'roll to the rescue  
Rock to the rescue  
I said it rescued me  
And it'll rescue you

So we got a band together now we're really quite the  
rage  
Oh how I lose my inhibitions when I move across the  
stage  
We're the hottest ticket goin' what a fantasy flight  
They tell me fifty thousand people come to see us

every night

Rock'n'roll to the rescue  
Rock'n'roll to the rescue  
Rock to the rescue  
I said it rescued me  
And it'll rescue you

Gotta get a ticket cause I really gotta go  
There's a party goin' down at the rock'n'roll show  
Baby get ready if you really wanna go  
Now everybody's goin' to the rock'n'roll show
