Did you ever listen with the music missin'  
Turn your radio on?  
When the trees are swaying and the band is playing  
Our favorite song?  
Ye-yeah  
Shelter from the sunlight (ye-yeah)  
Shelter from the cold night (ye-yeah)  
Just where I wanna be,  
Baby just you and me  
Staying at home.  
Summertime, take a few calls, make a little love  
Thank God for shelter!

I'll give you shelter from the storm, (o-oh)  
And a house to keep you warm (o-oh)  
I'll give you shelter through the night (o-oh)  
And a chance to make this right.  
Do you ever still think of me? (think of me)  
And the way that we used to be? (used to be)  
When the world was just you and me? (you and me)  
Hanging out in our shelter.

Now it's two o'clock  
Found around the block  
Waiting for the parade.  
When the dark of night (ye-yeah)  
Or the bright sunlight (ye-yeah)  
AS you runnin' for shade.  
Together we can run and hide,  
Maybe we can stay inside.  
Just where I wanna be, baby, just you and me  
Staying at home.  
Summertime, take a few calls, make a little love  
Thank God for shelter

I'll give you shelter from the storm, (o-oh)  
And a house to keep you warm (o-oh)  
I'll give you shelter through the night (o-oh)  
And a chance to make this right.  
Do you ever still think of me? (think of me)  
And the way that we used to be? (used to be)  
When the world was just you and me? (you and me)

Hanging out in our shelter.

Do you think that you'd ever stay  
Take a page out of yesterday  
If we could only find a way  
Hanging out in our shelter.
