I can't wait till summer, yeah
'Cause it's gonna be a summer of love
Hey, now, well, it's a love thing

People all around the world in every nation
Like to get together for some excitation
If you're a girl appreciate to recreation
Why don't you let me take you on a love vacation?

Yeah, I'll take you to the movies but I'm no fool
First I'll get you on the beach or in a swimming pool
Doing unto others is the golden rule
But doing it with you would be so very cool

Girls are always ready for a summer of love
Goin' out and lookin' for love
(Girls are always ready)
Girls are always ready for a summer of love
(Sum, sum, summer, summer of love)
Goin' out and lookin' for love
(Sum, sum, summer, summer of love)

I can't wait till summer, yeah
'Cause it's gonna be a summer of love
Hey, now, well, it's a love thing

Everytime the weather starts to gettin' hotter
Don't worry about it toss your clothes and hit the water
We'll be California dreamin', bay watchin' everyday
Just off the Malibu surfin', U. S. A.

Now no girl ever wants to leave their love back home
So if you miss him, baby, call him on the phone
But make it quick, we're almost in a party zone
'Cause summer days and nights aren't meant to spend alone

Girls are always ready for a summer of love
Goin' out and lookin' for love
(Girls are always ready)
Girls are always ready for a summer of love
(Sum, sum, summer, summer of love)

Goin' out and lookin' for love
(Sum, sum, summer, summer of love)

I can't wait till summer, yeah
'Cause it's gonna be a summer of love
Hey, now, well, it's a love thing

Now summer is a time when there're no strings
attached
But we could get together if you come on back
I'd like to tell you if it's any satisfaction
You'll always be my summer seasons main attraction

Girls are always ready for a summer of love
Goin' out and lookin' for love
(Girls are always ready)
Girls are always ready for a summer of love
(Sum, sum, summer, summer of love)
Goin' out and lookin' for love
(Sum, sum, summer, summer of love)

I can't wait till summer, yeah
'Cause it's gonna be a summer of love
Hey, now, well, it's a love thing
