Dum dum dum be dum be doo

Dum dum dum be dum be doo

Dum dum dum be dum be doo

Dum dum dum be dum be doo  
With a smile she brings me light

She can make my whole world bright

She brings out the sun at night

She's my sunshine  
Life would be full

Sailing on the sea

In a boat

Just-a her and me

And propose

That she'll be my only one  
She can make you feel so fine

Like to love her all the time

It's the reason i'm a-pleasin' my sunshine  
Some-a-day i'm

Gonna marry her

Some-a-way i'm

Gonna carry her

To a place where we can play in the sun  
Like a full moon shinin' bright

She'll light up the darkest night

Will she squeeze me

How she'll please me

Sunshine  
Some-a-day i'm

Gonna marry her

Some-a-way i'm

Gonna carry her

To a place where we can play in the sun  
Never felt a kiss so sweet

Never could i ever meet

Someone even half as sweet as my

Sunshine  
Some-a-day i'm

Gonna marry her

Some-a-way i'm

Gonna carry her

To a place where we can play in the sun  
Dum dum dum be dum be do

Dum dum dum be dum be do
