The first little Indian  
Gave squaw pretty feather  
The second little Indian  
Made her an Indian dollar  
The third little Indian  
Gave her moccasin leather  
The squaw didn't like 'em at all

The fourth little Indian  
Took her riding in his big canoe  
The fifth little Indian  
Took her down the waterfall  
The sixth little Indian taught  
The squaw how to woo-woo but  
The squaw didn't like 'em at all

One little, two little  
Three little Indians  
(Keep us humming  
We're the ten little Indians)  
Four little, five little  
Six little Indians  
(Keep us humming  
We're the ten little Indians)  
Seven little, eight little  
Nine little Indians  
(Keep us humming  
We're the ten little Indians)  
Ten little Indian boys

The seventh little Indian  
Took her over to his teepee  
The eighth little Indian  
Tried to give her a love poem  
The ninth little Indian  
Said, you're my Kemosabe  
The squaw didn't like 'em at all

The tenth little Indian  
Said it really didn't matter  
He acted like himself and  
He didn't look at her

The squaw didn't care if  
He never did a thing cause  
She loved the tenth Indian boy

Loved the tenth Indian boy  
Loved the tenth Indian boy  
Loved the tenth Indian boy
