He's the man
With all the toys

Someone found
A lighted house
Late one night
And he saw
Through the window
A sight
A big man in a chair
And little tiny men
Everywhere
He's the man
With all the toys

Well how thrilled
That someone
Must have been
And he must have been
Tempted to go in
He stayed out
In the cold
And when he left them
He told
About the man
With all the toys

He's the man
With all the toys

The man
With all the toys
He's the man
With all the toys
