Oh well Im the type of guy who will never settle down  
Where pretty girls are well, you know that Im around  
I kiss em and I loveem cause to me they're all the same  
I hug em and I squeeze em they don't even know my  
name  
They call me the wanderer yeah the wanderer  
I roam around around around...

Oh well there's flo on my left and there's mary on my  
right  
And janie is the girl with that I'll be with tonight  
And when she asks me which one I love the best  
I tear open my shirt I got rosie on my chest  
Cause Im the wanderer yeah the wanderer  
I roam around around around...

Oh well I roam from town to town  
I go through life without a care  
Til Im as happy as a clown  
With my two fists of iron and Im going nowhere

Im the type of guy that likes to roam around  
Im never in one place I roam from town to town  
And when I find myself a-fallin for some girl  
I hop right into that car of mine and ride around the  
world  
Yeah Im the wanderer yeah the wanderer  
I roam around around around...

Oh yeah Im the type of guy that likes to roam around  
Im never in one place I roam from town to town  
And when I find myself a-fallin for some girl  
I hop right into that car of mine and ride around the  
world  
Yeah cause Im a wanderer yeah a wanderer  
I roam around around around...  
Cause Im a wanderer yeah a wanderer  
I roam around around around...
