Well, I walked up to her  
And I asked her if she wanted to dance  
She looked awful nice and so I hoped  
She might take a chance

When we danced I held her tight  
Then I walked her home that night  
And all the stars were shining bright  
And then I kissed her

Each time I saw her  
I couldn't wait to see her again  
I wanted to let her know  
That I was more than a friend

I didn't know just what to do  
And so I whispered I love you

And she said that she loved me too  
And then I kissed her

I kissed her in a way  
That I'd never kissed a girl before  
I kissed her in a way  
That I hope she liked for evermore

I knew that she was mine  
So I gave her all the love that I had  
Then one day she'll take me home  
To meet her mom and her dad

Then I asked her to be my bride  
And always be right by my side  
I felt so happy that I almost cried  
And then I kissed her

And then I kissed her  
And then I kissed her
