This car of mine  
A-win I got her now she wasn't new  
Old and broke down  
This car of mine  
There's been a lot of races we been through  
No slow poke now

I never want to part with her you see  
This little car means a heck of a lot to me  
(This car of mine)

I remember the day  
A-when I chose her over all those old  
Broken junkers  
Thought I could tell  
Underneath a coat of rust she was gold  
No clunker

Just couldn't wait to take her home with me  
And fix her up just as new as she could be  
(This car of mine, this car of mine)  
(This car of mine, this car of mine)

Ain't no amount of gold in any mine  
Would be enough to take away this car of mine  
(This car of mine)

This car of mine  
Oh, this car of mine  
She's so so fine now  
This car, this car so fine now  
She's so fine
