When I grow up to be a man
Will I dig the same things that turn me on as a kid?
Will I look back and say that I wish I hadn't done what I
did?
Will I joke around and still dig those sounds
(Will I still joke around and still dig those sounds?)
When I grow up to be a man?

Will I look for the same things in a woman that I dig in a
girl?
(Fourteen, fifteen)
Will I settle down fast or will I first wanna travel the
world?
(Sixteen, seventeen)
Now I'm young and free but how will it be
(I'm young and free, how will it be?)
When I grow up to be a man?
Ooh, ooh, ooh
Will my kids be proud or think their old man is really a
square?
(Eighteen, nineteen)
When they're out having fun yeah, will I still wanna
have my share?
(Twenty, twenty-one)
Will I love my wife for the rest of my life
(Will I love my wife rest of my life)
When I grow up to be a man?

What will I be when I grow up to be a man?
(Twenty-two, twenty-three)
Won't last forever
(Twenty-four, twenty-five)
It's kind of sad
(Twenty-six, twenty-seven)
Won't last forever
(Twenty-eight, twenty-nine)
It's kind of sad
(Thirty, thirty-one)
Won't last forever
(Thirty-two)
