Wouldn't it be nice if we were older?  
Then we wouldn't have to wait so long  
And wouldn't it be nice to live together  
In the kind of world where we belong?

You know it's gonna make it that much better  
When we can say goodnight and stay together

Wouldn't it be nice if we could wake up  
In the morning when the day is new?  
And after having spent the day together  
Hold each other close the whole night through?

Happy times together we've been spending  
I wish that every kiss was never-ending  
Wouldn't it be nice?

Maybe if we think and wish and hope and pray it might  
come true  
Baby, then there wouldn't be a single thing we couldn't  
do  
We could be married and then we'd be happy  
Wouldn't it be nice?

You know it seems the more we talk about it  
It only makes it worse to live without it  
But let's talk about it, wouldn't it be nice?

Good night, my baby  
Sleep tight, my baby  
Good night, my baby  
Sleep tight, my baby
