When bella came home she wasn't recognized
She must have changed a lot she realized
She feels new
She feels strong
She feels young
She can do
What she wants
'Cause her past
Has disappeared

Her life is an open book
With no demands
Bella is grateful for the
Golden chance

To rub off her mistakes
And regrets
From tonight
She'll break loose
From restraints
By starting over

Bella
Bella's at the point of zero
Starting from the outset tonight
Bella struttin' like a hero
Celebrating that she's leaving tonight

Tonight
Tonight

It's like a fairy tale
A time machine
Bella forgets who she has ever been

She's reborn
She's rebuilt and refilled

She is torn
From her past
And tonight
Is her renaissance

Bella
Bella's at the point of zero
Starting from the outset tonight
Bella struttin' like a hero
Celebrating that she's leaving

Bella
Bella's at the point of zero
Starting from the outset tonight
Bella struttin' like a hero
Celebrating that she's leaving tonight

From tonight she can be anyone
But will never take the part of bella
She has no history anymore
She has no present
There is no future behind the door
There is no substance

Bella
Bella's at the point of zero
Starting from the outset tonight
Bella struttin' like a hero
Celebrating that she's leaving tonight
