How am I supposed to say to you
That I'm gonna leave tonight ?
How am I supposed to explain to you
That I never loved you right ?

I will be gone forever
All our connections I sever

Oh, can I possibly hurt you in a good way ?
Oh, can I possibly hurt you in a good way ?

How can I explain the truth to you

and expect you to believe ?
How can I refuse and look down on you ?
How am I supposed to leave ?

I will be gone forever
All our connections I sever

Oh, can I possibly hurt you in a good way ?
Oh, can I possibly hurt you in a good way ?
