Well the truth isn't part of a general direction  
Or proof of the father or any other message come on

If anything I have grown ever more the cynic  
Convinced I'm alone in a world of petty sh\*t  
Now come on in  
Come on in  
The giving and the cheap  
Oh come on in  
The shallow and the deep  
Oh come on in  
The world at seventeen  
Oh come on in  
I've saved you a good seat

Celebrate yeah  
Do the soft shoe  
Celebrate yeah  
I can't stop you  
Celebrate yeah  
Do the soft shoe  
Celebrate yeah  
I can't stop you

I come in on a rake  
I'm leaving on the early train  
I come in on a rake  
And it's out with the morning face is out  
I come in on a rake  
I'm leaving on the early train  
I come in on a rake

And it's out with the morning face is out  
Out with the morning face is out [x7]  
Out with the morning face
