Jurassic gun you don't need it
Park is done the tour eaten
And you can look alive if you want to
And you can book it tired if you want to

I the greedy one
Manufacturing
I the cheating come
As a fact of Molly
I the greedy one
Manufacturing
I the cheating come
As a fact of Molly

Bought a gun
Trip Sadie
The red one
You're so busy
And you can look alive if you want to
And you can book it tired if you want to
If you, if you want to
If you, if you want to
If you, if you want to
You can look alive

I the greedy one
Manufacturing
I the cheating come
As a fact of Molly
If you want to
[repeat 8x]

If you, if you want to
If you, if you want to
If you, if you want to
