so you win again  
let's swim back again  
before the rain happens here  
on our surface  
and tonight maybe getting drunk  
right around here  
with just the fenceleaners  
knowing where  
one always lose in the long run  
anyhow  
here one just waits around

hey don't break my neck  
fooling around like that  
don't come mess around  
this is my shell where I'll stay

so you've lost again  
let's stay indoors today  
here on lover's lane  
with open windows  
rain tickles toes,  
goes up spine and mind  
please change your mind  
please stay and wait for me  
the kitchen breeders know  
happiness is known to happen  
even here  
it's just the "you got to"  
but I guess you have to live here  
to notice

hey don't break my neck  
fooling around like that  
don't come mess around  
this is my shell where I'll stay  
hey don't break my neck  
fooling around like that  
don't come mess around  
this is my shell where I'll stay
