Let's care, let's be kind  
We're closing the shop  
So while there still is time

Let us prepare  
To go over there  
Or where ever else  
There must be a place  
Where there is peace  
Quiet and calm

Let's love  
Let's be friends  
The end is nigh  
This shithouse will end in flames

Let us prepare  
To go over there  
Or where ever else  
There must be a place  
Where there is peace  
Quiet and calm

Love, love, love  
Love, love, love  
Love, love, love  
Love, love, love
