"Walking Out"

For several weeks
The same useless hum
When your away
I take care of things
I read those books
And let the air in
And late the phone rings
I let it ring
The message I heard
I will erase
'Cause I know who spoke
After the beep

Now I'm walking out
I'm walking out
Now I'm walking like
I walk with you, with you

Wide off the mark
What's the point of a heart?
When it has to beat
So far from where it
Most wants to be
A life that I have not entered yet

Now I'm walking out
I'm walking out
Now I'm walking like
I walk with you, with you
