I'm on your side,
your opinion's mine
Well versed
Ice breaker

Stories slide
frictionless by
Servile
Ice breaker

Lechery, everywhere lechery,
we're not gonna make it
Show won't stop our places of rot
We're not gonna make it

Under pressure
the surface breaks
My well of bile
Ice maker

My number
disintegrates,
becomes pocket lint
Ice maker

Lechery, everywhere lechery,
we're not gonna make it
Show won't stop our places of rot
We're not gonna make it

I'm good to go
I went for broke
I am my coat
Eye opener

Lechery, everywhere lechery
Violence is the fabric
Lechery, everywhere lechery,
we're not gonna make it
Everywhere lechery
Repeat not fade:

everywhere lechery
Repeat Not Fade
