Verse 1

Wake up! Five O' Clock in the morning and I call my guy
Fifty gets you high
But a hundo might make you die
I like it. It makes me feel so good to get high
Don't wanna come down the next day
So I take my dad's credit card. Get Paid
Oh yeah! I'm the number one client.
It's time to go
There's a blizzard in my nose

CHORUS

Girls girls girls and pills and pills
I like them girls girls girls and pills and pills
I like it
I like it
It makes me feel so good
I like it
I like it
It makes me feel so good

Verse 2

Three o' clock in the afternoon
A junky don't work, go to school, it's Bull
And when I was eleven years old, I used to do cocaine
with my friends, I thought it was cool
More money more problems. That's what they say
But all that shit did was solve 'em. That's the street way
Relationships are for kids. I go three ways. I'm a weirdo
They call me Beardo.

CHORUS x2

Verse 3

Come on
Come on
Come on
Let's get right
Tonight
Let's get right
Tonight (wake up, wake up)
(REPEAT)

One Two Three Four

CHORUS x2
